Happy Halloween

We would like to thank the Parent Association and all the parents that volunteered today to make this day a special one for our children. Please be safe tonight and have a great time trick-or-treating!

Parent-Teacher Conferences

Conference appointment forms will be sent home to all families next week in preparation for Friday the 14th which is a half day. We have increased the time of each conference to 20 minutes to allow for better discussion and understanding of the new report cards. We do our best to schedule families with multiple children around the same time. Please return the form after you receive it. Thank you!

Clarification—What is a “3” or a “4” ?

With the standards based report card, students in the younger grades will be graded on a 1-4 scale. Just to clarify, a grade of a 3 is where your student should be! A 3 means they are doing the work adequately and appropriately and making sound progress to move forward. A 4 means they are EXCELLING ABOVE AND BEYOND expectations. So please understand that a report card with mostly 3s is VERY GOOD! 4s are reserved for those exceptional cases. Your classroom teachers will discuss this more on the 14th.

From the Health Office

All children in Pre K, Kindergarten, Grade 2 and Grade 4 as well as all NEW students to SAS, need a physical exam for the current year on file in the Health Office **by October 31st** as mandated by NYS. Also needed on file is a current copy of immunizations of all students in all grades. Please make sure we have an updated emergency card for all students with current phone numbers for home, work and cell. It is very important to notify us if any of the numbers change.
